## Whittier Team In Early Lead To Win Opener

A hard-hitting California High School team of Whittier piled up a 31-18 lead in the first quarter of play and hung on tenaciously against a strong North High team to win the opening round of the CIF playoff from the Saxons, 86-72.

## El Camino Track Team Enters East LA Relays

El Camino College cindermen will make their bid in the SPAAU Relays at East Los Angeles Saturday at 10 a.m.

In the triangular track meet with Fullerton and Riverside at Fullerton Friday, the Warriors turned in a 3:28.6 for the mile relay (Ron Davis, Dennis Hansen, Joe Herzog, Len Ehlers). Fullerton won with a 3:23.1. At the relays this Saturday, Hans Jensen will be the relay alternate.

Fullerton grabbed the tri-meet with 111 points. El Camino captured second with 37, and Riverside took third with 3.

This was the first track meet of the season for the Warriors and the first collegiate competition for many of the ECC trackmen.

Coach Ray Southstone feels that with additional grooming, confidence, and strong effort in training and in competitive meets, the cindermen of El Camino will be a tough team to beat.

California, boasting one of the tallest high school teams in the Southland, was the pick to win the opener against the local quintet. The Whittier squad won the San Gabriel Valley League handily and were pitted against the North squad who placed second in the Bay League.

The defeat ends North's participation in the CIF eliminations.

Inglewood, the winner of the Bay League title with a single defeat, took an easy 58-35 victory from Centennial after piling up a 34-12 lead at halftime. Centennial was able to score only 5 points in the first quarter and 7 in the second.

Culver City, winner of the Pioneer League title, lost a close 64-57 game to El Monte. A hot second quarter by El Monte turned the trick.

## Weight-Lift Champion to Visit Campus

Benefits of body building will be demonstrated at El Camino College March 9, at 11 a.m. in the women's gymnasium. Walter Marcyan, Pacific Coast professional weight-lifting champion, will demonstrate the three competitive Olympic lifts used.

Marcyan, manufacturer of body-building equipment, and publisher of the magazine, "Physical Power," says, "We are of the firm belief that athletes in all sports benefit by weight-lifting. The magazine and gymnasium that I operate are directed toward proving this."

At 48, Marcyan is in perfect condition. He says, "I've been body building for years. In 1949, when I won the championship, I was 38. That should prove that you're never too old to benefit by body building."

Gene Moze, operator of a health club in Pasadena, will assist Marcyan.

El Camino College uses some of Marcyan's equipment in its body building program and is in the process of enlarging its facilities.

Students, coaches and interested community residents are invited to attend the demonstration. Coach Norm Verry of the college, announced.

## Hottest Cycles In the West to Try for Records

Handlebar jockeys tackle Ascot Stadium's TT course in Sunday's wheeling and dealing 16-event motorcycle competition starting at 2:30 p.m.

Leadfooted daredevils from all over the West will be gunning for a new set of Ascot Stadium records.

Eight new records were set in the first two TT meetings held this year. In the February TT carnival Dick Hammer of Lakewood took the expert 15-lap final in 13:01.29, breaking the month-old 13:04.1 mark held by Dick Dorresteyn of San Pablo. Dorresteyn's three-lap trophy dash record of 2:37.98, set in January, will be a major target Sunday.

The Ascot TT course, which utilizes the infield as well as portions of the half-mile saucer, measures six-tenths of a mile and the riders face nine sharp turns along with a spectacular 10-foot barrier jump on every lap.

TUESDAY, the Indians will don their traveling uniforms and take a long bus trip to meet Mt. SAC for the ninth practice contest of the pre-season.

On the week-end of March 10-11 the Warriors will trek to USC at Santa Barbara. Monday, March 13, EC will play host to the USC varsity on the Warrior's field.

The Metropolitan Conference tournament will start March 16 at Blair Field in Long Beach.

## El Camino and Santa Barbara Vie for Fairway Honors Friday

Golfers from El Camino College will tread the fairways with Santa Barbara City College tomorrow in their fifth practice match of the young season.

With two practice games won and two other matches lost, the Warrior six-man squad coached by Al Greenleaf is already falling behind the blazing season the golf team experienced last year, when it finished second in the Metropolitan Conference by one-half game.

LAST WEEK the aggregation of club-swingers lost its first Metro clash of the season to 1960 winner, Santa Monica, 43 to 8. Last season the Warriors defeated the Corsairs in their first game of the season. At a three-way practice meet held at Palos Verdes Country Club, El Camino's par 71 home course, the Warrior turfmen defeated Compton College, 28 to 8, and Orange Coast College, 31 to 5.

LOW SCORING for El Camino was turned in by Spencer Beard, fifth man for the locals. Beard carded a 39-39-78 round to share low for the day with

Tom McInerny from the Compton College clan. Other Camino scores at the dual golf get-together were Don White, 90; Les Warr, 84; Jim Cartnal, 81; John Kelly, 81, and Rich Loretta, 82. Low scorer for Orange Coast was John Cresswell.

The next Metropolitan swing-fest of the year will be against East Los Angeles at Montebello, March 6. A return match with Compton College follows on March 10.
